ABOUT

STUDENT CLUB UIT

“Nurture your talent with United”

With an objective to help students pursue their hobbies and interests, Students' Club based on different genre of activities have been running at United Institute of Technology for the last few years in which students can showcase their talent. This Club can be a great benefit to a degree-seeker, because they allow students to develop a good bond among themselves providing them networking opportunities that will help in growing their career.

This club provide the opportunity to foster views on serious subjects and in formal situations. It improves your teamwork, creativity, thinking, listening and speaking skills. Students can unravel their strengths like multitasking, organization skills, team building skills, leadership skills and service mindedness. It also promotes your adaptability, confidence level, meets the direct placement requirement of companies and improves creativity that can last a lifetime.

Interdepartmental academic activities, Quizzes, Cultural & Literary events are the highlights of these clubs.

ABOUT ASTITVA'23

Welcome to ASTITVA 2023
Unveiling the Essence of Excellence

In the radiant halls of UNITED INSTITUTE OF TECHNOLOGY, a symphony of talent and creativity is set to unfold as we proudly present ASTITVA, a spectacular collage of expression, intellect, and cultural finesse. ASTITVA, meaning 'existence' in Sanskrit, embodies the very essence of what makes our college community vibrant and unique.

This grand celebration will showcase the prowess of five distinctive clubs, each a pillar in shaping the dynamic tapestry of our student body. From the eloquent debates of Rhetorical Cosmos to the cutting-edge innovations of the Developers Club, the rhythmic beats of Cultural Club, the futuristic creations of the Robotics and IoT Club, and the adrenaline-pumping events of the Sports Club, ASTITVA promises an immersive experience that transcends the ordinary.
